In 2023 we embarked on a brand new concept: *The Shakesperience!* Our first Shakesperience guests arrived at the Metropolitan where they watched Rob Chase's comedy, *Yorick & Company*. Once the first play was over, our audience moved down to the Met Park where they were treated to the **same cast of actors** performing *Hamlet* under the stars!

ONE cast appears in TWO shows in an evening of fun at our 2nd Annual Shakesperience! Starting at 6 pm inside the Metropolitan you'll be treated to the hilarious comedy, *An Evening of Culture*, where the residents of Mineola County, TX attempt to put on *Romeo & Juliet* in the middle school gymnasium! Hilarity ensues as everything that can go wrong does! Next, we'll move down to the park by the creek where the same actors will perform William Shakespeare's *Romeo & Juliet* under the stars and under the expert direction of Kristopher Mandell. It's sure

to be an evening you won't soon forget! We are so excited about this concept of pairing a comedy/play-within-a-play about Shakespeare's work, with an actual production of the piece referred to in the comedy. It is a really exciting way for our actors to really spread their wings. We certainly hope you are as excited as we are to test this out this summer. The possibilities are endless!

WALK - INS WELCOME!

THE METROPOLITAN
53 MAIN ST.
SAN ANDREAS, CA 95249

As punishment for rebuffing a powerful witch, a selfish prince becomes a true 'beast' until someone will love him for himself. Many years later, a poor widow stumbles onto the castle and innocently plucks a forbidden rose. The Beast sentences her to death, but first allows her to return home and bid farewell to her family. There we meet her two unpleasant daughters, Isabel and Marguerite, and her nasty sons-in-law, Greedo and Grasp. They hear her story and think she's insane. But her third daughter, Beauty, agrees to go to the castle and stay with the Beast if her mother's life is spared. When Beast kindly permits Beauty to return home briefly, Grasp and Greedo sneak into the castle, hoping to steal a treasure. In a wildly funny and exciting scene, not only do they fight the Beast, they fight the furniture! With the aid of an enchanted mirror, Beauty sees that Beast doubts her love for him and she returns to the castle. Her love restores Beast to his true form and happiness reigns. Written by Vera Morris and directed by veteran Troupe members, Ron and Lauren Ramirez.
